Congratulations to Mrs Gilmore!

Congratulations to Mrs Gilmore, Mr Gilmore and big brother Freddie who welcomed Fraser George on the 18th March. He's scrumptious! We can't wait for a cuddle, when it's safe to do so.

Parent/ Carer Survey

You should have all received the link to complete the survey about communication and learning at home. Thank you to those who took the time to do this. I sent a letter to you all in response to your feedback. Thank you again for your ongoing support.

Class Emails

As mentioned in my letter, we have set up class email addresses. This is another way, in addition to Seesaw or Tapestry, that you can communicate with class teachers at this time. They will be active from Monday 4th May. Please note, these will be checked weekly by teachers. Please use the school text system or school email address for non-learning related queries.

Congratulations to Mrs Harrison!

Our Neville's Cross family continues to grow as we announce the lovely news that Mrs Harrison is expecting a baby in October. We look forward to meeting a baby brother or sister for Eden.

New Workbooks for the Children

Many of you have told us that your child has completed or is near to completing the workbooks we provided when school first closed. We will continue to use Seesaw and Tapestry as a tool for teachers to suggest learning activities for your child. However, we have ordered some more workbooks for your child should you wish to use them. Unfortunately, the distributor would not post them to your homes. Instead we will organise for you to collect them from school. In order to this as safely as possible, we will stagger the times for collection and ask that you adhere to social distancing guidelines, staying a safe distance from any other parent or carer you may see. I will be in touch next week with more details.

VE Day

Friday 8th May is VE Day. It is the 75th anniversary of the end of the Second World War and has been made a Bank Holiday to mark the occasion. Before restrictions were put in place due to COVID-19, communities all over the United Kingdom were planning outdoor celebrations, concerts and street parties to mark the celebration. We are still going to mark the occasion and we invite you to join us. We would like you to take part in a 'virtual' picnic on Friday; whether that be in your garden, your backyard or lounge. You could create flags or bunting to decorate your home. We would like each family to design a poster with the words 'We'll meet again'. Miss Lawson has kindly agreed to create a video of photographs of our wonderful families taking part in our picnic holding their signs. We hope that you will be able to take part and we look forward to seeing your photos!

Farewell to Mrs Davison

One of our long standing cleaners, Mrs Sharon Davison, leaves us soon due to ill health. We'd like to thank her for her service to school and wish her well in the future.
