Polite Reminder

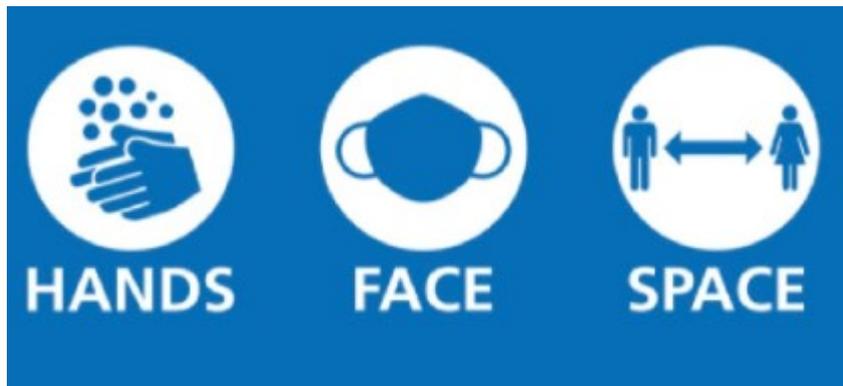

Mobile phones should not be used on school site. This includes outdoors on the playground. This is to safeguard our children and staff. Many thanks for your continued support.

Updated arrangements for dropping and collecting your child(ren)

You should have received a link to the letter on our website which shares details of updated arrangements for dropping and collecting your child(ren). Please read this carefully. Please note, this new arrangements will begin immediately AFTER half term on Monday 2nd November.

It's time to wrap up warm!

You will be aware that we have windows open throughout school to ensure ventilation throughout rooms and the school building. We do have the heating on in school but it is starting to feel a little colder. We ask that you encourage your child to wear extra layers underneath their uniform and make sure that they always have their coat with them.

Happy Birthday to...

Aidan

Technology Survey

Thank you to those who have already completed the short survey about internet and device access. If you have not already done so, please complete the survey by Monday 12pm. If you have more than one child in school you only need to complete the survey once. (The survey link was sent as a text).

Can you please also email your child's class email address with your child's name as the subject so that we have your email address for future correspondence. You do not need to email again if you have already done this. Many thanks.
