## Question & Answer Sessions for Prospective Parents

Dear Parents and Carers,

We hope that you enjoyed watching the short video of our school. We hope that it gives you an insight into school life here at Neville's Cross. Making the school choice for your little one is a huge decision and we are disappointed that we cannot show you around school in person and answer your questions face to face. Getting a 'feel' for a school is important in the decision making process. If you would also like to chat to current parents please get in touch as we have many that are happy to chat to you.

We are hosting remote question and answer sessions online to enable you to ask questions to support your decision making. Please see below for details of when these meetings are taking place.

Please contact the school office to book onto one of the sessions. If you are emailing please add **Prospective parent** followed by the **meeting date and time** into the subject line.

Thank you for taking the time visit our school website. We hope to see you soon.

Yours Faithfully,

Mrs C Ferguson
