Christmas events

We are sad that we cannot go ahead with our usual Christmas such as our KS1 nativity or KS2 carol service. As a staff team we have thought hard about how to keep the festive magic in school. We have a few surprises in store for both you and the children but below are details of planned events.

Christmas dance—you should have received a letter from Mrs Turnbull sharing information about a dance that each class are rehearsing and recording ahead of a whole school compilation. Please make sure that you reply via text to indicate whether or not your child can be filmed for this.

Christmas dinner—we will still have our festive Christmas dinner in the hall this year. This will be in our bubbles as we have lunch currently. Children will make their meal preferences for this in class the week before. If your child has a packed lunch they can have a Christmas dinner and will choose what they would like at the same time.

Christmas parties—each bubble of children will have a Christmas party during the last week of term. Children can come to school in their party clothes on the day of their party. School will provide party food. There will be music, dancing and games!

Christmas cards—unfortunately children will not be able to bring in Christmas cards for their friends and staff this year. We are encouraging children to write a card at home for their class, to be uploaded onto Seesaw or Tapestry which will be shared in class.

Santa Fun Run - Children will be taking part in a sponsored fun run for St. Cuthbert's Hospice. Children are encouraged to wear a festive jumper or top and trainers or footwear suitable for running. Donations can be made via ParentPay.

Home time

We continue to be thankful for your support at drop off and collection time. Please make sure that your children push bikes and scooters around the one way system. Some of our younger children are running away from their parents onto the field and into the forest area, please keep your child with you.
