Friday 8th January 2021

What a start to 2021!

Well, what a start to the new year! Last weekend seems such a long time ago now! Thank you for your patience and support as we have again navigated school through ever changing guidance and announcements with little or no notice. Your support is overwhelming and much appreciated at a difficult time for us all.

A public display of thanks has to go to our fantastic staff who have adapted so well at such short notice. The time commitment preparing, uploading and responding to children learning at home, while teaching those children who are in school, is huge.

If you have any queries relating to your child's home learning please contact your child's class teacher via the class email or Seesaw (Year 1—6).

Support for Lunches

Those families eligible for free school meals (NOT infant school meals that applies to all children in Reception to Y2) have been contacted regarding arrangements for support during this period. If you think that you should have been contacted and have not been please use the school text system and I will look into this for you.

Contact Details

Please ensure that we have up to date contact details for you. Our main form of communication will continue to be via text using Teachers 2 Parents. Some have had difficulty receiving messages if they have the app so please delete this if you have it. Then messages from school should then arrive as a text with a link to a letter or form, if appropriate.
