Online safety reminders

We know that in our children spend more and more time online using phones and devices. Please remember that whilst the internet can provide a wealth of information, our children need to know that not all information out there is reliable. The images our children see and the messages they convey can be very different from the reality of the situation.

It is also important that we are all vigilant when children are using devices and act to ensure they are protected from people or images which may pose a risk to them. Children can accidentally or deliberately be exposed to illegal, unwanted or unpleasant content, comments or activity online and we need to minimise this risk.

We know that new apps and sites appear daily online and it would be unrealistic to ask parents and carers to understand all of them. The sites and services that your child likes to use may change regularly, but the messages they need to keep themselves safe will remain the same – think before you post, be kind online and ask for help if something makes you feel worried, upset or uncomfortable.

I would urge you to regularly check what your child is accessing as we need your help to ensure these safety messages are adopted at home. Take time to talk about what your child enjoys; videos, games, chatting and use this as a way to remind them of key safety messages.

Mobile phones/devices and smart watches in school

Please remember that mobile phones should not be brought to school by children with out specific permission from both a parent/carer and the Head Teacher. Smart watches and other devices are not permitted. Please see the school's policy on Mobile phones/devices and technology (via the link provided) for more information.

After School Activity Clubs

We will be working through all the applications for clubs and will send texts out at the beginning of next week.

Use of school car park

Please remember that the school car park is for staff only. Please don't use it to park or to turn around, at any time of the day. Thank you.
