# **A few bits and bobs .....**

## **Covid Update**

Thank you so much for helping us to keep our school community safe. Whilst we await further information from the Prime Minister regarding his roadmap out of Covid restrictions, we are still obliged to work to a very tight risk assessment in line with Durham County Council expectations. Please continue to follow our one-way system when dropping off and collecting children. Please keep up the good hand washing, continue to wear a face covering and maintain a safe distance from others.

We also appreciate that the steps on the one way system pose a problem for parents with buggies. Unfortunately the slope is too steep for us to be able to safely install a ramp. If you need assistance, please ask a member of staff on the yard.

## **Sporting Events**

This week Bamburgh Class has taken part in an intra class 'Quidditch' competition. I am pleased to note we had no flying accidents! The children had a fantastic time until they were rained off. Thank you to Miss Biggs and Mrs Knowd for organising this event.

## **Packed Lunches and Snacks**

We ask that lunches and snacks brought in from home are healthy and nutritious and don't contain chocolate, nuts (and nut related products), donuts, and fizzy drinks.

## **Crossing the Road**

We understand your frustration that there is no longer a crossing patrol outside school. The local authority advertised the position but unfortunately there were no applications. Please stay as safe as possible and use the pedestrian crossing at the traffic lights to cross the road.

## **Planning for September**

We are starting to plan classes and groups for next year. If you are leaving Neville's Cross, please let us know as soon as possible as that really helps with our forward planning.

## **Car park**

Please remember that the car park is for staff only.

## **Jewellery and Makeup**

Jewellery is not permitted in school, including earrings. If your child has pierced ears and is unable to remove earrings, they must be covered with plasters. Make-up is not appropriate and not permitted in school.
