

# Welcome to Bamburgh class

Bamburgh class will be taught by Miss Harrison. I hope you have had a lovely summer and are looking forward to the new challenges and learning that you will experience this year. Information about our projects are on the school website.

Please remember I am always on hand to listen to any worries or concerns. Quick messages are best written in the school planner that your child has been given this week, on a small note with your child on a morning or by sending a message to the class email - **[nxbamburgh@durhamlearning.net](mailto:nxbamburgh@durhamlearning.net)**

## Being Prepared

### What to bring?

- a named water bottle
- a named waterproof coat to school every day
- Wear PE kit all day on PE days

Bamburgh PE lessons are Monday and Thursday.

## Homework

Children are expected to do a small amount of homework each day if possible – this can include reading, timetables and spelling practice. Log in details will be sent home for children to access Spelling Shed and TT Rockstars. Spellings will be given on a Monday and will be in your child's planner each week. A short test will take place the following Monday. Please record any work that is completed at home in the planner.

Children in Year 6 will be set 2 pieces of homework each week (maths and English) to complete at home that children will self mark, then upload to Seesaw. Seesaw codes are also in the back of your child's planner.

## Tuck shop

Healthy snacks are available from tuck shop at morning break and children may bring in up to 60p to spend per day. Alternatively, they may bring in their own healthy snack from home (no chocolate or crisps please).
